MEETING AT MARION CORRECTIONAL INST.

The Rotary Club goes to prison!!!! Today the Marion Rotary Club has the unique opportunity to hold their meeting inside a prison. The Marion Correctional Institution is a part of our community and has asked to host this month’s meeting. The holiday season reminds us all of the necessity to give back to our community. In this spirit, four offenders will share their experiences inside the prison and the importance of giving back to the community. This expression of service and cooperative partnerships affects the culture of the prison and benefits the Marion community. Maggie Beightler the Warden of the Marion Correctional Institution will welcome our organization and introduce the presenters. Maggie has been the Warden at Marion Correctional Institution for 6 years. She began her career in 1981 as a Correction Officer at the Ohio Reformatory for Women. Maggie is proud to be the Warden of the Marion Correctional Institution. She believes each individual has the ability to change and it is her commitment to offer offenders quality programming to help prepare them for release. She has a passion to create a work environment where staff lead by example and develop a means for personal growth and accomplishment.

Tours will be available for those who wish to see more of the prison once the meeting has concluded. Marion Correctional is a non-smoking facility. BE ADVISED, this is a prison, and you must leave all valuables, all medication, cell phones, etc. in a locker available for $0.25, or leave valuables in your car.

Remember to arrive at MCI between 11:30 and 12:00 noon in order to be escorted in by the staff. Your promptness is appreciated.

The invocation will be by Pam Stone and there will be no badge box.

HAVE YOU INVITED A PROSPECTIVE ROTARIAN TO A MEETING LATELY? CONTACT MATT PRIMMER, OR A MEMBER OF HIS COMMITTEE, IF YOU HAVE QUESTIONS.
